CENTERPOINT Inc. Awarded \$116M Contract to Provide Cybersecurity Support Services to the US Department of Health and Human Services (HHS)

Leesburg, VA – CENTERPOINT Inc., a Leesburg, Virginia-based provider of cybersecurity services, announced today that the company has been awarded a \$116 million, five-year, single-award contract by the Department of Health and Human Services (HHS) Office of the CIO (OCIO) to provide Cybersecurity Support Services.

CENTERPOINT will leverage its industry-leading pureplay cybersecurity expertise to provide cybersecurity strategy, communications, privacy, policy, process, governance, compliance, risk management, and technical and infrastructure support services.

“We are honored to have been selected to serve HHS OCIO in such a comprehensive capacity, and look forward to supporting HHS’ cybersecurity mission,” said CENTERPOINT’s Chairwoman & co-CEO, Baly Ambegaoker.

“CENTERPOINT looks forward to lending our expertise to HHS OCIO,” said President & co-CEO Ed Silva. “We are proud to support HHS’ mission to enhance the health and well-being of all Americans”.

HHS OCIO supports the Department of Health and Human Services’ mission by leading the development and implementation of information technology infrastructure across the department.
